Meet in  
Wine Country

*Photoquest Studio Photography*

Ponte Vineyard Inn is located in the heart of Temecula Wine Country, just a short drive from Los Angeles, San Diego, Palm Springs and Orange County. Situated on Interstate 15 and close to two major airports, Ponte Vineyard Inn is an accessible, elegant and unique destination for your meeting or event.

The Inn sits on a lush 300-acre vineyard property that has been farmed by the Ponte family since 1985. In 2003, the family opened a Tasting Room and Ponte Family Estate became a destination for people seeking an escape from city life.

An outdoor restaurant and event space followed, and in 2012 Ponte opened the luxurious Ponte Vineyard Inn. The Inn features an award-winning fine dining Italian restaurant and Wine Country's only full cocktail bar. In just three years of operation, the AAA Four Diamond Ponte Vineyard Inn has been ranked #1 in Temecula, #3 in California and #13 in the United States, according to TripAdvisor.

Meetings and special events at Ponte Vineyard Inn are made simple with the help of our experienced event staff. Enjoy 8,000 square feet of meeting space designed to inspire your team. Let the ideas flow during the day with state-of-the-art presentation support, and relax in The Cellar Lounge or by the outdoor fire pits at night. Build team relationships through local balloon rides, wine tasting or other group activities arranged by our staff.

We look forward to hosting your next meeting or corporate event at Ponte Vineyard Inn!

## Accommodations and Amenities

Ponte's commitment to sustainable practices is evident throughout the 300-acre property. From low-water succulent gardens to a naturally aerated pond to sustainably farmed vineyards, it is easy to see why conservation is one of our core values. Ponte Winery is proud to be named a Certified California Sustainable Winegrower, the first in Temecula Valley.

Ponte Vineyard Inn was designed and built with sustainability in mind. Strategic placement on the property minimizes sun exposure to rooms, resulting in less energy use to cool. Guests are encouraged to turn off lights and air conditioners shut off automatically when guests leave their rooms. Ponte Vineyard Inn is also a proud partner of "Clean the World," a global recycling program for soaps, lotions and shampoos. Ponte Associates are trained and vested in the mission to leave a better planet for future generations.
